Application No: 1041076

Dear Ms Lee

The Australian Skills Quality Authority (ASQA), as the national VET regulator (NVR), has considered the information received on the 26 February 2014 and your RTO is now deemed to meet the requirements of the VET Quality Framework.

This conclusion is based on the review of your validation and moderation policy which now meets the requirements of Standard 15.5 of the Standards for NVR Registered Training organisations.

This letter concludes the audit process associated with Application 1041076.

I understand that your RTO has been approved to have the new 2013 dance qualifications added to your VET scope of registration; however, if you wish to add these qualifications to your CRICOS scope you will need to make a separate application.

If you require further information in relation to this matter, please contact Mr Robert East on telephone 9954 2507 or by email at compliancemelbourne@asqa.gov.au.

Yours sincerely

Jan Mulcahy
Regional Manager, Compliance Melbourne
