DANCE STYLES

JAZZ: Styles can include commercial, modern, lyrical and Broadway. Often used in film clips, musical theatre, movies, floorshows, advertisements and television. Originally a mixture of African rhythms and American jazz music. Classes usually consist of warm up, technique and strengthening exercises and dance combinations including turns, jumps, jetes.

HIP HOP: Street dance using the latest sounds in rap, R&B and pop music together with movements that are influenced by today's video clips. Hip hop class styles can include funk, popping, locking, and breaking as well as freestyle movement to form a style that is diverse and forever changing. Classes include a warm up and dance combinations.

BALLET: influences all other forms of dance: stretched feet, turn out, elevation, flexibility. Barre work, centre exercises and combinations are included in all classes.

TAP: Is percussion in dance. Intricate sounds and rhythms. Develops fitness and concentration. Popularised by the likes of Fred Astaire and Gene Kelly, it now draws on modern influences such as American street tap and industrial tap. Classes include barre work, centre work, travelling steps and a dance combination

CONTEMPORARY: started in Europe as an alternative style of dance to ballet, it is more grounded and off centre to other forms of dance. Classes usually consist of warm up, technique and strengthening exercises and dance combinations including turns, jumps, jetes.

LYRICAL: a fusion of ballet, jazz and contemporary techniques using dance to interpret music and express emotion. Classes usually consist of warm up, technique and strengthening exercises and dance combinations including turns, jumps, jetes.

DANCE ACRO: Classes work towards improving flexibility, strength, and control through learning how to properly execute acrobatic tricks similar to the mat component of gymnastics; such as cartwheels on both legs, one-handed cartwheels and walk-overs, as well as balances such as head-stands, elbow-stands and hand-stands, progressing to round offs and aerials (no-hand cartwheels).
