CONTEMPORARY: A versatile and expressive dance form that blends modern, classical, and lyrical techniques to create fluid, emotive movement.

LYRICAL: Lyrical fuses ballet, jazz, and contemporary techniques to interpret music through expressive, fluid choreography focused on emotion and storytelling.

DANCE ACRO: Classes work towards improving flexibility, strength, and control through learning how to properly execute acrobatic tricks similar to the mat component of gymnastics; such as cartwheels and walk-overs, as well as balances such as headstands and handstands, progressing to round offs and aerials.
