VET DANCE DELIVERY

No need to become an RTO, (Registered Training Organisation). Dance Factory offers the VET Dance program to secondary schools with a range of options. The options are non exclusive and at any one point, schools may adopt a range of models that are best suited to the needs of the school community.

To deliver the course at your school you must have:

- adequate dance space and facilities
- a trainer and assessor with a TAE qualification and industry knowledge in the vocation of dance

A secondary school can negotiate with Dance Factory to deliver the program, where the school can demonstrate access to suitable staffing, facilities and resources. VET clusters can also be formed. Clusters allow participating schools to improve the provision of VET programs as schools share facilities and staff expertise. Increased numbers of students provide viable class sizes. With a cluster arrangement students from one school may attend another school auspiced by Dance Factory to undertake their training. All schools will need to provide evidence of AQTF compliance for a program to be auspiced by Dance Factory.

Other delivery: arrangements can be provided at an additional cost. For example Dance Factory can provide teachers and or assessors to the secondary school.

If you are unable to deliver the course at your school and have students interested in dance, Dance Factory also offers the course at their Richmond studios.

Dance Factory is committed to delivering high quality vocational dance programs, with over 30 years experience we have developed the perfect infrastructure to support successful study and social development for young people studying dance through the VET and VCAL programs.

PROGRAM OPTIONS

VET programs are designed to provide a more vocational VCE, linking them to industry needs.

The VET Dance program expands opportunities for senior secondary students as the study will prepare these young people for the workplaces of the future. This is achieved through the provision of nationally recognised training qualifications that have been integrated into the VCE.

All training qualifications are derived from the Australian Qualifications Framework and are either delivered or auspiced by Dance Factory.

ENTRY REQUIREMENTS

There are no pre-requisites to enrol in VET Dance. Previous dance experience is an advantage but not necessary. Due to the physical nature of the course, physical fitness is an important consideration.

Students can commence in Years 10 or 11. Students must complete Units 1 & 2 before commencing 3 & 4 to receive the Certificate. Year 12 students commencing in Units 3 & 4 will receive a Statement of Attainment for units completed.

On successful completion of this program the student will receive:

Credit towards VCE: students will be eligible for up to six units credit towards VCE, 4 units at Unit 1 / 2 level, plus a Units 3 / 4 sequence. Students wishing to receive an ATAR contribution for the Units 3 / 4 sequence in the VCE VET Dance Program must undertake scored assessment for the purpose of achieving a study score. This study score can contribute directly to the ATAR, either as one of the student's best four studies (primary four) or as a fifth or sixth study. Where a student elects not to receive a study score no contribution to the ATAR will be available.

Credit towards VCAL: this program contributes to the Industry Specific Skills Strand of VCAL and may also contribute to the Work Related Skills Strand for VCAL
