

## Introductory Classes

Many schools come to our studios for one off introductory classes. With these, your students get the chance to view our full time dance students in action and also have time for a Q and A session. This is a great opportunity to get a taste of the dance and the performing arts industry before commencing a dance program, or to see if they would enjoy VCE or VCE VET dance as a subject. Classes can also be on a regular basis throughout the term or year.

## We organize everything

We will do all of the organizing for you. You only need to email or ring through your dates, times, year level and we sort out the rest.

## Dance Programs at Dance Factory

For many years Dance Factory has been offering schools from all over Victoria the opportunity to incorporate Dance into their Personal Development and Physical Education Programs.

It's a wonderful physical activity or even an inspirational way for students and teachers to learn new skills and technique for school productions. It also makes an exciting option for end of year post exam activities.

We can provide studio space here at Dance Factory for you as we can accommodate anywhere up to 60 students in one studio.
